Dear General [redacted]

Your letter of 23 January 1976 requested nomination of a SIGINT professional to serve with the SIGINT Requirements Validation and Evaluation Subcommittee (SIRVES) of the SIGINT Committee on a non-reimbursable basis. I have received DoD approval to provide the requested support and am pleased to be able to nominate [redacted] GG-14, for the Subcommittee assignment.

DDO believes that [redacted] has keenly developed perceptions of what is necessary to improve the requirements process and recognizes the need for a viable requirements evaluation system. She understands the difficulties and complexities of the proposed assignment and welcomes such a challenge.

[redacted] has agreed to serve for a period of nine to twelve months and is available to begin the assignment with SIRVES on 29 March 1976.
